DOUGLAS WANTS BALL EXCURSION

E. F. Grindell, secretary of the Douglas chamber of commerce and mines, has written to the El Paso chamber of commerce proposing a baseball excursion to Douglas from El Paso in August and a return excursion for the Labor day game in El Paso. These baseball excursions have been very successful in Arizona and the Douglas and El Paso chamber of commerce officials will make an effort to have a large crowd accompany the ball team when they play these two games.

Has Fined Many People in the United States—Were Members of Notorious Mabray Gang. Council Bluffs, Iowa, July 12.—Four more sentences were dealt out by Judge Smith McPherson in the United States district court to competitors of William C. Mabray, whose swindling operations amounted to over a million dollars. Luther West, who rode most of the

"fixed" horse races for Mabray, received a jail sentence of six months and \$100 fine. Dick Beattie, a foot racer, received 13 months and a \$100 fine. West and Beattie both pleaded guilty.

Ole Marsh and Bert Shores, convicted at the recent trial with several others, were sentenced to 15 months imprisonment. All will be taken to the federal prison at Leavenworth, Kansas.

The appeal bond of \$5000, furnished by Clarence Class, now serving a term at Leavenworth, was accepted and the warden ordered the release of the prisoner.

SPORTSMEN (By Tim)

Barney Schreiber, owner, breeder, and bookmaker, has changed his mind. Now he admits that horse racing, with its gambling graft attachment, has been put to the queer, is on the "blink" and it's like the prize ring.

There is one thing about a baseball which is good. There is no gambling directly attached to it; profit enough there is at the gates. So, as long as ball is clean, it will live; no longer.

A surprise occurred Monday at Pittsburgh. It took the form of an 18 run shut out, with Philadelphia on top. McQuillen allowed no home player to reach third. Brannfield made five hits, including two triples, batted in eight runs, and made three runs himself.

Monday's card at Buena Vista was split, three favorites and three outsiders cashing. Stewart, called the oldest jockey on American turf, was ruled off the track for life after his ride on Lady MacDowell. Judges said he pulled and ripped all chances.

Accommodations for 40,000 spectators will be provided at the Meadow Brook field, Hamstead, L. I. for the international polo matches next month. Four stands will be erected.

New York Americans doubled Chicago's score at Monday's game, 8 to 4. Olmstead was batted off the rubber in six innings.

One good race occurred Monday at Empire City. Bon Loyal, 4 to 5, won the Glen Cove six furlong handicap after a hard drive. Barley Thorpe led to the turn, where Loyal moved to the lead, then in the last 100 feet Loyal came with a run missing by a head.

A strange combination of figures occurred at Sioux City Monday when Omaha lost, 7 to 13. The home team made 13 hits, 13 runs and 0 errors.

Alfred Shrubbs, the English 10 mile champion runner, is now planning to run Longboat, the Indian wonder, a series of races in the United States and Canada. But Sel Mintz says he has booked 14 races for Longboat and that is enough.

Because Mitchell muffed a fly with men on second and third, Brooklyn made the victorious runs of a 2 to 1 game at Cincinnati Monday. Hitting was heavy.

Some of the best horses now on the Dominion circuit will enter at the Windsor meet, which starts this week-end. Much fine American stock will appear at the border city.

TEXAS LEAGUE NOTES

By Horace H. Shelton.

Griffin, now playing in the Southern league with the Atlanta team, is a native of west Texas. He was with San Antonio a short time this season but was recalled by Atlanta. The first game he pitched after being recalled he lost to Atlanta.

Galveston is fast developing a team of hitless wonders. Donnelly has not a consistent clouter in the entire aggregation.

Charlie McDonald, the Farmersville boy, is getting a chance at short for Dallas during the illness of McConnell. He is doing good work. He will be ripe next year for a regular job.

Brooks Gordon will not be in the game for several days with the Waco team. A row with umpire Bailey is the cause of his enforced vacation.

There is considerable sentiment among the Texas fans in favor of president Allen employing ex-umpire Hunt, who whipped six players in the Cotton States league. He would do well in the place of some of the spineless wonders now working in this neck of the woods.

Thebo, of the Dallas team is out of the game on account of injuries recently received. His injury breaks a combination.

ville theater where he made his first public appearance since the fight at Reno, cheered and stamped; "I won, and all I can say is that it is my purpose to defend my title against all comers, and I thank you for this reception."

Somebody asked Johnson what blow he thought won him the fight. "I think," he answered, "it was the blow that closed Jeffries' right eye."

The only serious disorder of the day bearing in any way on the fight occurred in a small Broadway theater where a crowd gathered to see the pictures "taken at the ring-side" under the impression that they were moving pictures. Disappointed, the spectators demanded their money back, and when this was refused, they wrecked the lobby and routed the ticket booth with a young woman inside into the street.

Mrs. L. M. Terry and sister, Miss Sarah Cunningham, left Monday for New York to spend the remainder of the summer.

THIS MAN WOULD FIGHT JOHNSON

William Warren Barbour, who is a son of Col. William Barbour, millionaire thread manufacturer, Barbour is an amateur pugilist. He is a giant and stands 6 feet 2 1/2 inches and weighs 294 pounds. Several expert authorities on boxing believe that if Barbour and Jack

Johnson met in the ring, the young Bostonian would give a good account of himself. One expert even went further and stated that he believed Barbour could defeat the negro champion.
